

## Process Improvement Proposal (PIP)

Name	Daniela Cano	Date	2 may. 2024
Project/Task	/4a/PSP1.1		
Process	PSP1.1	Elements	

### PIP # Problem Description

---

1. In carrying out the implementation of this program, design problems arose

### PIP # Proposal Description

---

1. We resolved these issues in the coding process based on the needs of the program.

### Notes and Comments

---

For our next implementation, we plan to make a better design which will allow us to facilitate and obtain a better result
